

For use with a clone with Section 8

1. Perform a Move In for a 4 member household effective the current property date. 1 Head and 1 Spouse as well as 2 minor child dependants. Both adult Members make 5,000 dollars a year for employment and have 1,000 dollars in a Joint checking account.
2. Advance the date forward 2 days.
3. Create a Reports group that will generate at period close with the following Reports in it.
 - a. Bank Deposit Summary – for the Current AR period – All Bank Accounts
 - b. Lost Rent Summary – For the Current AR period
 - c. Delinquent and Prepaid Report – Use defaults
 - d. Transaction Summary by Unit – Scheduling Period - Fiscal Month
 - e. Rent Roll Detail – Defaults
4. Pre-Close the Period. Review the results.
5. On the household that you moved in (Task 1 above) , change the Head of Household to the other member effective the first of next month and process the appropriate Certification to show this change
6. Post Rent payments for 5 different units.
7. Advance the date forward another day.
8. Post Late Charges for any / all units listed.
9. Advance the date forward another day
10. Next perform a unit transfer effective the current property date for a different household.
11. Select a unit, the HOH of this household gets a second job making 5,000 a year effective the first of next month, perform the necessary income change and process the appropriate certification.
12. Perform a move out for the current property date for a different household
13. Add 50 dollars worth of damage charges (to the household in step 12) and close the FAS.
14. Generate AR notices for the property for the 120 / 90 / 60 notices.

15. Process an AR for a tenant who requires an AR certification.
16. Process a lease renewal for this same tenant.
17. Terminate a unit's assistance for not recertifying.
18. Perform a Gross Rent Change effective the first of next month where the Contract rent increases by 10 dollars for all floor plans. Next approve and complete the certifications in bulk.
19. Perform a Gross Rent Change effective the first of the **following** month where the utility allowance increases by 5 dollars for all floor plans. Next approve and complete the certifications in bulk.
20. Select a unit, the head of household did not disclose a previous income. Enter an income starting 6 months ago to current. Enter the certification / correct existing certifications as part of a repayment plan. (if the repayment plan does not show as an option, activate the repayment plan function in setup)
21. Create and activate a repayment plan for the unit in step #20 and enter the first month's payment. The site will be retaining the full 20% due to attorney's fees.
22. Create a Special Claim for Damages for a unit. The Damage claim should be for 500 dollars. Submit the claim and place it on your current HAP request.
23. Finalize the HAP Request and ensure that the special claim is attached to it.
24. Next create the appropriate TRACS files but **do not send them**.
25. (pretend time has passed) Post the HAP payment
26. View the repayment ledger for the household in step # 20 and confirm results.
